New Rinks in Parties.

A kind of party much in vogue with women just now is a "fad party." It usually takes the form of a luncheon where everything is rose-colored and tied up with bows. And every woman is obliged to confess her pet fad, which, when it has made its blushing bow in conscious modesty, is tonated and talked Then there is the party, in which the Woman's Club dame or the Chautauqua Circle girl revels. It is played somewhat on the principle of progressive euchre, only that the guests find at one table four sets of partially written quotations, which they are required to fill ou; at another names of books, whose authors are inquired for; housewives from ironing during dogat another pseudonyms to be assorted days. Such a law would necessitate a among the rightful people. This game little change in the (ashions, and pergirl, the prizes being books. Of course really need froning would be thought some of the local dames who went to necessity by some, but 't wouldn't be the Browning readings at Sherry's this long before women would discover that year in diamonds and velvets, and at they were just as nappy and met se the conclusion of the course when a clean as in the day when nearly on 'request Browning programme" was tenth of their working hours were offered, called for "Rock Me to Sleep, spent over the ironing table.
